HIRE THE
ITS GOC

Dear Miss Parlow
En route to New Or-
leans we are visiting
friends and taking in
many points of interest.
We're staying 2 days with
my aunt and 3 cousins in
Washington, D.C. The Art
Gallery has a tremendous
number of originals. Saw
the remodeled White House,
the President's mansion, Nat'l. Lib. etc.
Expect to see Jamestown,
Williamsburg, By MONET (1840-1926) AND
Smoke Is. Will read Bob's
Colonial History notes of period
the way. As ever, Mom & Dad
